Wednesday 3rd July 2024

Sports Day

Dear Parents and Guardians,

What a truly wonderful day we had yesterday carrying out our Sports Day and Family Picnic. A huge well done to all the children on their efforts, perseverance and positive energy. Thank you so much to everyone who joined us to cheer the children on. It was so fantastic to have you all with us in school. We hope you enjoyed the events as much as we did. It seemed to work brilliantly having all our sporting events as well as the Family Picnic and our much loved and very impressive Wheel Relay on one day.

Next week your child will be carrying out their moving up sessions to meet their new teacher and spend some time in their new classroom. Next Friday, your child will be bringing home their End of Year report. Class teachers have worked extremely hard to capture your child's progress and attainment; identifying their strengths and also their next steps. Once you have received your child's report, if you have any questions related to it please do not hesitate to speak to their class teacher.

Kind regards,

Miss S E Hunter,
Headteacher

NOTICEBOARD

ATTENDANCE AWARD

The class with the best attendance across the whole school last week was shared between Hedgehogs and Falcons with 97.2% attendance each! Well done to Hedgehogs & Falcons!

WATER BOTTLES:

Please ensure your child has a filled water bottle with them every day.

PTA AGM:

The PTA AGM is being held at The Waterside pub on Friday 12th July at 7pm. Everyone is welcome to join them. They are on the look out for a new Treasurer so please do get in contact if this is a position that you are able to fill beechwoodprimaryschoolPTA@gmail.com

PARENT SURVEY REMINDER

Please see below the link to our 2024 parent survey as well as a QR code. The link and QR code will stay live until Friday 5th July when the survey will close.

Hawks — Zac & Edie

Eagles— Alex L, Harry & Immy

Well done to all of our Stars!

Attendance

Our minimum attendance target is 96.5%. Please help us to ensure your child receives the best education by attending school regularly and being on time.

Our whole school attendance for last week was 93% which is still well below our target.

Over the last week at Beechwood.....

Foundation Stage had a wonderful time at their Sports Day! All of the adults in Butterflies were so proud of the children for trying their best and being great team players! We hope that all of our families had lots of fun at the family picnic and watching the events. In maths we have been learning about shape patterns and rotating shapes to make pictures. In our topic lessons we have been learning about different under water habitats.

Years 1 & 2 have been writing their stories of St George and The Dragon, Year 1 have looked at speech bubbles and Year 2 have been focusing on writing for dramatic effect. We have been enjoying practising for sports day and had a fantastic day yesterday showing you all. In maths, Year 1 have been recognising and counting money and Year 2 have been having lots of fun creating tally charts and pictograms.

Year 3 had a fantastic time at sports day and showed some excellent sportsmanship. In English they have been learning about instruction texts in order to write about their DT project this week. In DT, they have designed their own Greek inspired bread and are looking forward to making this and bringing it home!

Year 4 are beginning their final maths topic of the year: position and direction, we will be working with coordinates and translating simple shapes. In English, we continue our narrative journey. In geography we are thinking about the sorts of industries that are located in the UK, and how these have an impact on the development of the physical environment. In P.E. we will be continuing our work on tennis. PSHE sees the next lesson on Changing Me: Circles of Change. In R.E. we continue learning about the beliefs of Humanism. The children are enjoying their science work on the classification of living things.

Year 5 have continued to focus on the local area and how it meets the needs of the people living in Woodley in geography. In maths, they have been learning to compare and order negative numbers. Yesterday, the children were all amazing during Sports Day, and supported each other during events. We are very proud of them all.

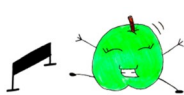

Year 6 have been polishing their production, ready for their first performance to KS1 on Friday. It promises to be a hilarious, yet messy, event. We have also enjoyed our very last primary sports day - our house captains proudly leading the school in the renowned Beechwood Wheel Relay.

House Points

**Outstanding
Oranges**

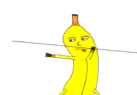

**Amazing
Apples**

**Super
Strawberries**

**Brilliant
Bananas**

House point totals will resume next week
