

This term, Year 4's topic is 'Electricity' in the first half term and 'We are all Heroes' in the second half term. We will be covering many exciting topics, all of which are mentioned on this overview.

We will be working especially hard to make progress on our times tables recall and we look forward to some exciting events such as Sports Day over the course of the summer term.

### Art

In Art, the children will be studying the works of famous artists such as Picasso, Joan Miro, Piet Mondrian and Steve Brown and having a go at creating a piece of work in their style.

### DT

The children will be using their skills to design, create and evaluate an electrical poster.

### French

The children will be continuing their French this term. They will be learning to say who lives in their family, order simple items from a café and give simple directions.

### PSHE

We will be covering two topics 'Relationships' and 'Changing me'. The children will be discussing things such as Jealousy, getting on and falling out.

We will begin discussing the topic of puberty and how our bodies change during this time. We will also be discussing how our feelings and emotions might change during this time.

### Maths

We will be delving into the following concepts:

- Decimals
- Money
- Time
- Statistics
- Properties of Shape
- Position and Direction

We will also be regularly practising tables and revising prior knowledge.

## Year 4

## Summer Overview

## Electricity

## and

## We are heroes

### English

We will be linking our History topic by using the story of Beowulf to create a Newspaper article about how Beowulf defeated the vicious monster Grendel.

We will also be creating suspense stories using a short story as our inspiration.

We will also research and write a biography about someone who is a hero to us. We will end the term with some exciting script writing.

### History

Our focus this term will be Anglo-Saxon England and The Vikings. We will look at some folk heroes of the time and the lives of Britons under the reign of the Viking and Anglo-Saxon kings.

### RE

This term, the children will be learning why people go to Church in our Christianity topic and will be discussing how Jewish people show commitment to God in Judaism.

### Computing

Part one of our term will be focused on 'Creative Media' and effective use of Photo editing. Part two of our term will be focused on 'Programming' and creating games in Scratch.

### PE/Games

Part one: Rounder outdoors and Dodgeball indoors.

Part two: Tennis outdoors and Athletics outdoors.

### Science

In part one we will be looking at how to construct a simple electric circuit, naming all the basic parts needed. Children will explore switches and create their own electrical poster.

In part two we will be learning how living things can be grouped in a variety of ways and explore keys to help with classification.
